

Employee Handbook

Remote Work Policy

Our company embraces a flexible work environment. This policy outlines the guidelines for remote work. All employees are eligible for remote work, subject to manager approval. Requests must be submitted at least two weeks in advance. Employees are expected to maintain their regular work hours and be available for communication during core business hours (10 AM - 4 PM).

Equipment and Security

The company will provide necessary equipment, including a laptop and monitor. Employees are responsible for maintaining a secure and ergonomic home office setup. All company data must be handled in accordance with our data security policies. Use of public Wi-Fi for sensitive work is strictly prohibited.

Expense Reimbursement

All work-related expenses must be pre-approved by your manager. To request reimbursement, submit an expense report with original receipts within 30 days of the purchase. Reimbursable expenses include travel, office supplies, and pre-approved software. Meals are generally not reimbursable unless for client entertainment or during approved travel.
